The yes! Watertown Mission:

To be a force multiplier that supports and endorses educational events and programs, individual group member's community projects and local economic efforts in order to positively impact the residents and businesses of Watertown.

yes! Watertown is a 501(c)(3) non-profit organization that relies on fundraising to help support its mission. This is not a professional networking group that exists for any purpose to exchange business opportunities, however as relationships develop within the organization this can be a natural bi-product of your involvement.

The group meets formally once a month from 5PM to 6PM and organizes roughly 3-6 special events per year. Regular involvement is critical to maintaining your membership and helps ensure that we have an engaged group that is always keeping the momentum moving forward. A member is expected to attend 75% of the meetings and community events. Attendance is critical, and failure to be involved in 75% of meetings and events could result in non-renewal of membership. Each member is expected to be an active participant and volunteer for specific yes! Watertown initiatives through the year.

Membership dues are \$150.00 per year. A new member's dues will be prorated for the first year based on the first month of membership. Annual dues are collected each January. yes! apparel will be coordinated upon membership acceptance.
